

## First LAMPLighters Girls-Only Weekend Cruise to Mexico!

This is purely a social event with no benefit to the club other than the bonds and friendships we will deepen to make next year even more productive and meaningful!

I've made a google document for us to coordinate roommates and monitor the number of rooms booked and still available at this

All actual bookings will go directly to Nancy Clark [nclark@cruiseplanners.com](mailto:nclark@cruiseplanners.com) using the form attached.

Thursday 4pm June 8 to Monday 7am June 12, 2023

Here are the prices for the cruise we are booking:

- Balcony cabins for \$1287.58 (for two people with taxes and port fees, \$643.79 each). These rooms are midship on decks 7 or 8 and include a free upgrade from a balcony cabin category 4D to 2D (better location). If we fill those, we have access to another 20 cabins in a lower category of balcony rooms which are aft on decks 7/8 for \$1233.58.
- Oceanview cabins are available for \$1095.58 for two people on decks 3 and 4
- Inside cabins available for \$1050.58 for two people.

A group rate deposit is the same as their non-refundable deposit rate (\$200.00) per room. Nancy Clark will charge the deposit and all cabin fees associated with the cruise half-and-half on two credit cards.

If we reserve these group rooms, they only give us 28 days to book them and then they take away the inventory and we have to book the going rate in whatever cabins are available. Therefore, we would need all booked by December 1. The final payment for this cruise is 3/25/23 so all would need to be paid in full by then.

Optional travel insurance is extra (price depends on room category- \$39.00/pp - \$69.00/pp and higher for suites). Gratuities are normally paid at the end of the cruise and will be billed to the onboard account; they are \$16.00 per person/per day.

The fixed dining times are 6pm or 8:30pm will allow the whole group to eat at the same time in the same area of the restaurant. I think we should do 8:30 so we don't have to cut our day time activities short.
